**Accelerated Logistics** is a nationally recognized auto transport service. In addition to our own carrier resources (Accelerated Services LLC) we have access to a large resource pool of pre-screened and qualified transportation partners in order to meet your specific transportation needs.

What sets us apart from other transport companies? Our strong logistical skills, expertise and willingness to always work hard for your business! Although we specialize in customized programs geared towards multi-vehicle / fleet moves we also pride ourselves on our capabilities in moving "that" one vehicle point-to-point quickly and with care.

Whether you're looking for standard transport service or have a special requirement, Accelerated Logistics guarantees a service to meet your specific needs.

**Flexible transport solutions >>**

One size definitely does not fit all. Sure, in most cases our standard open carrier service is perfectly fine however, there are situations when you may need or want your vehicle delivered more expediently or where an enclosed carrier is better suited for your vehicle. Not to worry, our flexible transport solutions provide a level of service to meet your specific needs whatever they may be. We offer both open and enclosed carrier service in; "Standard", "Expedient" and "Select" service coast-to-coast. If you are unsure as to which service works best for you, consult with one of our Transport Specialist at the time of your order and they can help pick a service that's just right for

you.

**Standard Open Service:**  
Most auto transports are processed through our "Standard Open Truck" service. Your vehicle(s) will load on the next available truck.

**Premium Enclosed Service:**  
In some cases you may have a special vehicle or a show car you'd like to transport. If so, let us know our enclosed carrier service is exactly what you'll need. Protect your precious cargo from the outside elements while giving yourself the piece of mind that your auto is getting the extra TLC it needs.

**"Expedient" Service:**  
Regardless if you're transporting your vehicle(s) via open or enclosed truck you may need us to expedite your order very quickly. No Sweat! Accelerated Logistics understands your business - that's why we specialize in tailoring our services to meet your specific needs.

**"Select" Service:**  
Sometimes even our "expedient" service is not quite fast enough for you. That's okay. When that situation arises just let us know. Because we offer a premium "Select" service to help you meet an extremely tight deadline.

**We know your business...**

If you're a Dealer, Auction / Fleet Manger or even an Athletic Team Manager we understand the uniqueness of your industry and realize your needs are different than everyone else's

It could be a fleet of vehicles, one vehicle or a complicated "trade". Without a doubt, the transportation company you choose to handle your move makes a difference. Accelerated Logistics understands that your transport needs can be complex and tricky at times. That doesn't mean it can't be done. Intricate and expedient Logistics are our specialty.

One, five, one hundred or more, we specialize in working with companies like yours as a partner to develop a customized transport program that meets their specific needs and requirements. Accelerated Logistics will create a solution you'll be happy with -- you have enough to worry about let us take the headache out of moving your vehicles.

**Why Choose Accelerated Logistics?**

There are many reasons why you should choose Accelerated Logistics. Our reputation alone is built on many years of trust, reliability and a track record that speaks for itself. But don't just take our word for it-- we're pleased to provide you with references upon request at any time.

**Our Experience >>**  
Our Sr. Management team possesses over 50 years of combined industry related experience...now that's knowledge! We feel this level of experience is vital in order to truly provide our clients with the expertise necessary when moving their precious and valuable cargo.

Not only do we know (really know) how to transport vehicles, we do it well! All vehicles we transport are done safely securely and in a timely manner. We understand what your concerns are, that's why we take the extra step in making sure that your experience with Accelerated Logistics is always pleasant and hassle-free.

**Our Expertise >>**  
Our Logistic Engineers are what really set us apart. Although we move multiple vehicles everyday we're considered the experts in our field when it comes to creating the logistics required for moving just one vehicle quickly and as efficiently as possible. We tailor our logistics to meet YOUR specific needs. In a bind? Have a complicated transport requirement? Piece of cake -- we deal with unique and complex moves all the time, it's our specialty. While other transportation companies may shy away from single vehicle or tricky moves or worse yet take your vehicle but let it sit due to their inability to move it we're always happy to work out the necessary details in order to move your vehicle on-time.

**Our team >>**  
Our team of Transport Specialists and Logistics Engineers are fully trained and professional; our drivers are always safe and courteous. We strive to give our customers the superior service and satisfaction they deserve!

**Our integrity >>**  
There are so many details involved with a move or sale of a vehicle the last thing you need to worry about is the actual transport of your car. You need a company you can trust, one you can depend on and know will get the job done safely and secure just as promised...Accelerated Logistics is that company.

Feel at ease that your vehicle(s) will be handled by a fully insured, federally licensed and permitted vehicle transportation company. So relax...whether you're moving a fleet of cars or just one we promise when you choose Accelerated Logistics as your premier transport company you'll be glad that you did. That's because you'll always receive prompt and professional service during your entire transport order from start to finish and your vehicle(s) will be loaded, transported and unloaded at its final destination with great care and always on time. You can count on it!

**Convenient on-line processing and tracking systems >>**  
With so many details involved with transporting vehicles the right way, it takes more than logistics know-how to run a successful transport company. To be the best it takes organization, accuracy and great attention to details.

For that reason alone, Accelerated Services has implemented powerful state-of-the-art operating systems to process and track all orders.

What does this mean to you? It means that you have the ability to request a quote, place an order and track all of your vehicles without ever having to pick up the phone. And we make it easy to access all of these tools by making them readily available for you through your secure client log-in on our website.
